## The Golf Courses - Laguna Lang Co

Located within the greater Laguna Lang Cồ integrated resort lays the Laguna Golf Lang Cồ, an 18-hole, par-71 championship course designed by Sir Nick Faldo. This award winning course delivers a golfing experience that can be enjoyed by the most experienced player and beginner alike. The course presents variety for players of all levels measuring just under 7,100 yards from the championship tees and a beginner friendly 5,263 yards from the front tees.

## The Golf Courses – Ba Na Hills

Bana Hills Golf Club, designed by Luke Donald is set in the foothills close to the bottom of the famous Bana Hills Resort & offers stunning views over the surrounding mountains and is sure to become one of the best golf courses in Vietnam.

The designers have used the wonderful natural terrain to its full advantage and have produced a course which is suited to golfers of all playing levels. The variable lengths and uneven lies resulting from the undulating terrain will ensure that you have to call upon all of your shot-making skills to conquer this course.

## The Golf Courses – BRG Norman

Greg Norman has created a wonderful and authentic links golf course which was voted as one of the best new courses in the world and it certainly lives up to its billing. Fast and firm fairways and greens offering a completely different experience from the traditional Asian layout. One of our favourite golf courses in Vietnam.

A truly stunning golfing experience with few equals in South East Asia with a purpose built clubhouse with everything you need to compete a perfect day on the links.

***The 16th is Danang Golf Club's signature hole with the sea and the Cham Islands in the background***

## The Golf Courses

### Hoiana Shores Golf Club

Offering majestic views of the Eastern Sea and Cham Islands, Hoiana Shores Golf Club offers a thrilling links golf experience for golfers of all levels. With a spectacular natural seaside setting, a luxurious clubhouse and 18 challenging-yet-rewarding holes, this is a must-play course for any golf enthusiasts visiting the region.

The championship Hoiana course is a links design with limited vegetation and rolling dunes. Course building techniques preserved the existing dune and sand pine terrain making holes play through the Casuarina trees and brush native to the area. Other holes, especially the finishing ones, come up right along the seas and play inside the coastal dunes.

Hole 16 is one of the courses best holes and is one of four located right on the water's edge. After that, the remaining holes playback to the clubhouse and into the prevailing wind. The golf experience is first-class with facilities and service characteristic of a 5-star luxury resort, or better.

**Hoiana Shores is a definite must play.**

## The Golf Courses - Montgomerie Links

Created by golfing legend Colin Montgomerie, Montgomerie Links Golf Course is truly an international 5-star championship links style course. The traditional links style design features sandy soil, wind-blown dunes, existing native vegetation, strategically placed bunkers, generous and undulating greens and closely mown chipping areas. maintained facility offers golfers a full service experience, including chipping and putting greens that mirror the exact condition of the course and a 30-bay undercover driving range.
